EXPERIENCE

Junior Information Security Analyst *@ Celonis Labs (Munich)*   2020 –

- Celonis is a rapidly-expanding SaaS B2B technology scale-up, valued at over $11b, and based in New York and Munich. I was part of the Systems Engineering, later Security teams.
- Worked on trust, compliance and audit projects (including successful SOC 2 and ISO 27001 certifications)
- Maintained company policies and procedures; established, organized and managed internal training programs
- Developed internal processes for information security management, data privacy and risk management

Student Assistant *@ SEC (Technical University of Munich)*   2020 – 2021

- Prepared lecture material and hosted educational videos.
- Held live online lab sessions for EE students in Munich and Singapore.

Team Lead *@ adveisor (Technical University of Munich)*   2018 – 2019

- Hosted project management workshops, mentor to a group of 10 freshmen.

Camp Assistant *@ Tumba (Brasov, Romania), During the Summer*   2017 – 2019

- Tutor in several German-language summer camps in Transylvania, participating children were of ages 6–14.
